TRANSFORMING HEALTHCARE WITH  
COMPASSION AND COMMITMENT

## Excellence + Care

We provide weekly services through our Partners in Excellence program including; Dr. Naeem Ahmed an Internal Medicine Specialist with over 30 years of experience, Dr. Muhammad Jilani a Physical Medicine and Rehabilitation specialist with over 37 years of experience, and Dr. Howard Hurt an Internal Medicine Specialist with over 50 years experience in the Bay City Community.

## Restorative + Care

### Sub-Acute Rehabilitation

The Rehabilitation Program at Carriage House Nursing and Rehab is designed to restore patients to their healthy selves as quickly as possible. Our dedicated Sub Acute unit is located in a newly renovated wing, with private rooms. We assist patients in recovering from illness or surgery, with a full regimen of therapy services. Physical, Occupational and Speech Therapy are offered seven days a week, within our two brand new therapy gyms. Each gym is fully equipped with state of the art equipment to help our patients recover faster.

Our expert team of therapists utilizes the latest rehabilitation techniques to create an individualized care plan for each patient. When you're ready to go home, our caring staff will guide you every step of the way, with comprehensive discharge planning and post discharge follow up.

## Comfort + Care

### Lifestyle and Amenities

- Complementary Cable and Wifi
- Restaurant Style dining
- 3 Enclosed Patios
- Activities 7 days a week
- On site Beauty Shop and Barber
- Laundry Service and Housekeeping
- Transportation for Doctor Appointments
- Religious Services
- 6 Common seating areas
- 120 beds

## Advanced + Care

### Specialty Health Care

The healthcare team at Carriage House Nursing and Rehab puts a coordinated and collaborative effort into each patient's individual plan of care. We offer treatment plans with the most advanced medical procedures, and an array of specialty services provided on premises.

Specialty Care includes:

- Orthopedic Rehabilitation
- Tracheostomy Care with Respiratory Therapist on staff
- Daily Respiratory Therapy
- Bariatric Care
- IV Therapy
- Advanced Wound Care
- Pain Management
- Aquatic Therapy

## Community + Care

The owners and operators of Carriage House Nursing and Rehab live here too. As members of the community, we appreciate that we are serving our friends and neighbors. We walk the floors, visit with patients, talk to families and assist staff with meeting patient's needs. Our hands-on management approach keeps us in touch with every patient's experience. We ensure that each patient is treated with respect and dignity, and there is always someone to talk to, should any concerns arise.

## Compassion + Care

### Long Term Care

Our long term care program provides each patient with personalized care and attention, within a comfortable home environment. We offer 24 hour nursing care which is centered on each resident's personal needs. Compassionate nurses and Certified Nursing Assistants provide expert care with consideration and respect.

Carriage House Nursing and Rehab also offers respite care in a secure environment, as well as hospice care administered with grace and dignity.
